Prayer and Praise

Ken Kurtz's cancer has stopped growing, praise the Lord! Ken will need to continue with his treatments to prevent any further growth of the cancer. Also, Ken's CT scan revealed blood clots in his lungs. Let's join with Ken and Ruth in praying for wisdom for the doctors to determine the source of the blood clots.

Peggy Yoder's surgery went well, and she is thankful for our prayers. Let's continue to remember Peggy in prayer as she recovers.

Johnny Scott was brutally attacked in the Food Lion parking lot and remains hospitalized in the ICU. Let's remember Johnny and Judy (his wife) in prayer, as he faces a long physical and emotional recovery.

Let's cover **Betty Vanderploeg** in prayer. She has colon and liver cancer and has started chemotherapy treatment.

Doris Zook is home from rehab. care but remains weak. Let's remember Doris and Paul in prayer during this time of health challenges.

Let's continue to lift **Jim Leader, LaVerne Weaver, and Opie Besso** to the Lord in prayer as they battle cancer.

Let's lift our **national leaders**, in prayer; may they lean on the Lord for daily wisdom and discernment.
